An experience Full Stack developer, with a passion for cloud technology and data-driven solutions, eager to transition into a Cloud Engineering / Solutions Architect role in a dynamic, agile working environment. Possessing strong problem-solving capabilities and a quick learning aptitude, ready to explore diverse facets of the cloud. Committed to leveraging learned skills to solve real-world problems and contribute to the ease, while continuously embracing and implementing new technologies.

SKILLS

Amazon Web Services (AWS), Java, AngularJS, HTML, CSS, MySQL, PostgreSQL, Microsoft SQL Server, Firebase, Git, GitHub, Adobe Lightroom, Adobe Photoshop, Microsoft Office Suite

WORK EXPERIENCE

Technical Associate

Infosys • London, United Kingdom   Aug 2022 - Present

- Developed an app called "Attendify" for Android and IOS using React Native and Cloud database that allows users to create, manage, assign, attend events from their mobile devices and web interface with secured authentications used for company-wide purposes.
- Obtained internal certifications such as Certified Software Programmer using Java, Associate Angular and have working knowledge on programming languages such as Python, JavaScript, Typescript, HTML & CSS.

AWS re/Start Program

Tech Talent Academy • London, United Kingdom   Feb 2022 - Aug 2022

- Completed intensive full-time, classroom-based skills development and training program on IT fundamentals, AWS Cloud, and professional skills.
- Built IT fundamental skills, including: working knowledge of Linux OS, writing scripts in Python and Shell. Learned how to apply core AWS services in the areas of compute, storage and networking; including EC2, S3, IAM, VPC, Lambda, Cloud Formation, RDS and Route 53.
- Demonstrated strong verbal and written communication skills, including the ability to explain technical information and terminology to non-technical end users.
- Learned how to configure, monitor, and support the suite of core AWS services.

Assistant Store Manager

Maître Choux • London, United Kingdom   Mar 2021 - May 2022

- Implemented innovative promotions to deliver store revenue.
- Kept inventory optimized to ensure low costs while maintaining product availability.
- Effectively managed payroll and timekeeping, including completion of the proper paperwork for new recruits and leavers.
- Reduced labor costs by 15% whilst maintaining excellent service and profit levels.
- Achieved increased financial performance within a year by 30%.
